Bio:

Creedence Rising is proud and honored to bring the spirit of CCR to life again and play the songs that have been the soundtrack to so many generations.

From the first chord of “Bad Moon Rising” to the swamp rock twang of “Born on the Bayou”, then into “Have You Ever Seen the Rain”, you know you’re in for a special musical journey. One filled with hit after hit after hit. The power of these songs are undeniable and Creedence Rising is soaked in the swamp rock vibe that drove the original band to create such a lasting impression on rock history.

Seeing this level of musicianship crash together in celebration of CCR is an event that will have you singing along, long after the show is over and looking for that next chance to feel the energy and emotion that is truly great Americana Rock-n-Roll.
